AN **NTR** EVENT

\$10.00 Gate Fee per person

\$10.00 to Ride

Kids under 8 free

An observed trial is a motorcycle competition based on skill rather than speed. The object is to ride through marked 'sections' consisting of tight turns, hill climbs, rock & logs in balance and control. Each time a rider uses his feet, to regain his balance, points are assessed. The trial consists of a number of sections connected by a short loop, 8 sections and 5 laps for a total of 40 individual rides.

Riders are classified by ability (i.e., Novice, Sportsman B, Sportsman A, Intermediate, Advanced, Expert). The events are AMA sanctioned. AMA membership is required and is available at the event. Minors (under 18) must provide a legal release. All riders, workers, and spectators must sign the waver form at the score table.

Remember, these events are held on private land. Extend the landowner the same consideration you would expect.

Event starts at 12:00 Noon
